

## What we are about.

*The Solebay Care fund has been set up to provide short term emergency care, resources and equipment not normally funded by the NHS or Social Services.*

*At times it is necessary to bring immediate care and support to those patients with an acute medical or social care need. In many cases unnecessary hospital admissions can be prevented by providing short term care in the home or near to home as possible.*

# Solebay Care Fund

Registered Charity  
Number 1144108

When Community Case Manager Cathy Ryan started caring for the patients of Southwold Surgery she found that there was a desperate need for a fund that would supply a rapid response to meet an urgent medical or social need.

The needs are many and varied from

arranging for a key safe to be fitted; to funding access for carers to emergency respite care for a dependant, thus enabling a partner to receive medical attention.

This fund is designed to reach those patients and their partners who are in immediate need. To provide funds for care needs that are not met by existing resources.

## Who is it for?

The fund is available for the patients under the care of Southwold Surgery which covers the area of Reydon, Southwold, Walberswick and the surrounding villages

## What can I do to help?

We raise a lot of the money by organising enjoyable events, and any ideas would be thankfully received.

We are also very grateful for the support of local organizations such as the League of Friends for Southwold Hospital and The Southwold and District Rotary Club.

We also rely on donations and legacies.

We would like to thank those who have already kindly donated or sponsored our fund raising efforts.

## If you would like to make a donation or help.

Please contact Southwold Surgery.

This slip can be used to accompany any donation.
